

Dolphin Club

Term 3
July - September
2014

We are just finishing another busy term at dolphin club

We have been creating some culinary feasts this term in the kitchen, so far we have made toasties, upside down pineapple cake and vegetable soup.

We have also made tall towers and measured to see whose tower was the tallest.

We watched a baking soda and vinegar volcano, Verna brought in her crystal glasses and using vibrations made her glasses sing. We also made watches and drew x rays. After we had finished the alphabet we had a week looking at the vowel men.

We were also very busy making our special Fathers day cards and our thank you cards.

LI	Mm	Nn
Our Tower measurements		
Lily	52cm	63cm
Liam	78cm	92cm
Delphi	Adriana	Lily
Paddy	72cm	
Bobby	81cm	
Maime	Sophie	and Leo
	75cm	112cm
	12cm	
Paddy (Bobby)	103cm	124cm

We have worked with i pads as part of our numeracy days as well as some super tricky numeracy puzzles. We have also visited the New World construction site, made biscuits for the workers and then returned to the site to drop off morning tea. We visited Summer school and got to say hello to Laura while we were there. Thank you to all the parents who have assisted on the trips this term these could not of happened without you.

We have just finished our numeracy week and have moved on to our technology week, the children had a treasure hunt with the i pads which they used to take photos with when they found they items. We also made a story using puppets on the i pads as well as the children making a movie about Moa Kids We have a few children heading off to school and we wish them all the best with their future adventures, all the best Maggie, Astra, Skye, Paddy, Sophie, Benji and Grace.
