

Moa Kids Preschool Disco

Our annual preschool disco, held on 20 June, was a huge success again this year. Hosted at the Sumner Community Centre, many children and families danced the night away (until the wee small hour of 6pm). It was lovely to see so many current and alumni Moa Kids getting down on the dance floor- and have a chance to catch up with their families.

Once again the fun was fueled by popcorn and a selection of flashing and glowing toys. As one of our major fundraising events for the year, we are delighted to have raised \$400 to put toward the excellent facilities at Moa.

A huge thank you all of the parents who put in their time to help her make disco-magic happen. A particular shout out to our resident DJ Matt who once again demonstrated his curious affinity with tune selection for the under 5's. This event just couldn't happen without you. Thank you also to the teachers who came along to join the fun, and to our new Senior Teacher Hayley who took the time to meet so many of us - our families really appreciate the opportunity to see you out of the classroom.
